

MFL (Latin) Subject Overview

We introduced Latin as our new modern foreign language for the start of the 2021-2022 academic year. Therefore, to ensure all children followed a logical progression of learning the whole of KS2 began with Units 1-4.

For the academic year 2022-2023 Latin will be new to our year 3 learners as they begin KS2. The rest of KS2 (years 4-6) will be working on units 5-8. Eventually, 16 units, 4 per year will be taught as children make their journey from Year 3 to year 6.
