Overall Policy statement

The aim of St Katharine's School is that all pupils are given the opportunities to develop self-esteem and knowledge through the dedication of all those involved in their education. We believe that regular attendance is essential to raising all pupils' attainment.

Aims of the Attendance policy

- Ensure that all pupils make the best use of their educational opportunities by attending regularly, punctually and in a state of readiness for learning.
- Ensure that everyone within the school community understands the issues and procedures for attendance.
- Fulfil the statutory duties in relation to school attendance.
- Emphasise a commitment to promoting excellent attendance and punctuality.

Attendance: The Legal Framework- roles and responsibilities

Under Section 7 of the Education Act 1996, parents must ensure their children are educated. For most parents/carers this means registering their child at the school and ensuring their regular attendance. Failure to do this can result in receiving a Fixed Penalty Notice or being prosecuted.

By law schools are required:

- to take an attendance register twice a day: at the start of the morning session and once during the afternoon.
- to report to the LA pupils who fail to attend regularly or who are absent for ten consecutive school days or more without good reason.

By law the register must show whether a pupil absence is authorised or unauthorised. Authorised absence is where the school has given approval in advance for a pupil of compulsory school age to be away or has accepted an explanation offered afterwards as a satisfactory justification for the absence. All other absences are unauthorised.

Government circular 10/99 Social Inclusion: Pupil Support emphasises the responsibility that schools have in supporting and promoting good attendance and taking seriously problems which may lead to nonattendance.

Partnership Working – Roles and Responsibilities

Role of the Principal:

- To improve and maintain good attendance.

- To inform the academy council and board of directors of attendance figures in her report to governors.
- To ensure that the Admin Officer undertakes the appropriate procedures on the first day of any pupil's absence and subsequently.

Role of the parent

- To support the school to ensure good attendance is maintained.

- To work in partnership with the school to take an active interest in their child's education.
- To work in partnership with the school and other agencies (as appropriate) to resolve problems relating to non-attendance or which may have a negative impact on their child's attendance.

Role of the child

- To arrive at school on time and prepared for the day.
- To take the responsibility for ensuring that they follow school procedures made known to them for receiving their registration mark, in particular when arriving late.

Procedures

It is very important that all staff adhere to a consistent approach in dealing with absence and lateness, including supply staff.

Home-School procedures include:

- Expectation that every parent notifies the school on their child's first day of absence by phone or in writing, which gives the reason for and expected length of absence.
