### Schools Triathlon

Every year, over 10,000 young triathletes take part in the Schools Triathlons and raise over £1.2 million for Restless Development and 100s of different charities chosen by participating schools. It's the UK's largest sports fundraising event for children aged between 7-13 years old.

### Restless Development

We are a global charity who supports the collective power of young people to create a better world. Every year we train, mentor, nurture and connect thousands of young people to lead positive change in their communities; supporting them to tackle challenges they face such as lack of education, unemployment and climate change.
